DESCRIPTION

Very nice semidetached house in a beautiful urbanization near the mountains of Polop. The house is designed on three levels, the ground floor has the entrance, living and dining room with separate kitchen and guest toilet and access to both large terraces. The first floor has two bedrooms, each with a bathroom and a balcony with beautiful views of the sea and mountains. The third floor has a roof terrace with spectacular panoramic views. There is air conditioning and hot water with solar panels, just a few minutes from the shops and 15min from the beach. Parking space and storage rooms.
