#### DESCRIPTION

Magnificent semidetached house located in a very quiet area of La Nucia. On the lower floor we find a large garage of 60 square meters, in addition to a toilet. The ground floor has a spacious living dining room through which we can access the terrace, a bedroom, the kitchen, a bathroom and a toilet. On the upper floor we have two other bedrooms, in addition to another bathroom. The exterior offers us a large space where we can store another vehicle, the house has air conditioning, heating by radiators, as well as its own pool.
