INFO

DESCRIPTION

Recently renovated bungalow for sale in La Nucía, located in a quiet urbanization that features a health center, administrative extension, community pool, tennis courts, social club, and children's area. The property, distributed on a single floor, has a bright livingdining room with a fireplace, an independent kitchen, three bedrooms, and a full bathroom. Additionally, it includes a completely open basement, ideal for multiple uses. Outside, the property stands out with its large private garden and a sunny rooftop terrace, perfect for enjoying the Mediterranean climate.
