DESCRIPTION

This project is located just a few minutes from La Fustera Beach and near the towns of Benissa, Calpe and Moraira. Nearby there are several services such as supermarkets, gas station, restaurant, beaches, etc. The open views to the sea give the project a great value as well as the quiet environment that can be enjoyed with an unbeatable orientation. The house is accessed by an asphalted road with a green fence, accessing the back of the house where there is a parking area and access to the main entrance where we find a distribution hall with a staircase to access the upper floor of the house. On the main floor, on the left side you'll find two double bedrooms, one of them with an en-suite bathroom, and a separate shower room. On the right side we find the living area with a living room, dining room and kitchen with island and a laundry room. On this level you can access the pool area with its terraces and barbecue to enjoy al fresco lunches or dinners. From here you can also access the garden area . The stairs give access to the
