DESCRIPTION

Villa Ocean is designed for a plot of between 420 m2 and 480 m2 with 120 m2 of built surface. The villa has two floors. The ground floor consists of a living room with kitchen, livingdining room, two bedrooms and one bathroom. Second floor consists of master bedroom with en suite bathroom and a terrace. This model can also be built on one floor, as the number of rooms and bathrooms can vary according to the buyer's taste. Independent plot, swimming pool, parking space with motorized access, garden with gravel and ornamental plants, barbecue area. The plots in Las Lomas de Polop are located in a residential area by the mountains of Polop and La Nucia and have wonderful views of the Mediterranean. The plots in Lomas del Sol are located in a residential area at the foot of the PonoigMountain in Polop, surrounded by nature, just 15 minutes from Benidorm, Altea and Calpe.
