DESCRIPTION

Miramar villas located in Sierra Cortina Resort, considered a luxury residential urbanization in Finestrat, very close to Benidorm, where you can enjoy a wide range of leisure and an environment conducive to rest. The privileged location between the sea and the mountains offers an extensive range of services within the complex itself, such as gyms and sports facilities, a golf course, restaurants, cafes and a security center with video surveillance cameras. It is a residential that offers the possibility of combining rest and privacy with a complete range of services and facilities nearby. In Villas Miramar you can live looking at the sea and the mountains thanks to the panoramic views. It is a complex of 4 independent villas of luxury, modern and bright. Each house has recreational and rest areas designed for the comfort of guests, have a fully equipped kitchen and integrated into the living room, which joins the garden area with the pool and terrace, 3 bedrooms with large spaces for terraces and outdoor areas that flood the rooms of the

house with natural light and a wonderful private infinity pool. The villas have a basement, ground floor and upper floor, with exclusive equipment and materials of the highest quality. Check prices and availability.
