DESCRIPTION

Nice Villa in a quiet area of El Albir. The main house is divided into two large bedrooms, living room, fully equipped kitchen and a covered terrace that is accessed from the living room. On the plot there is also a closed garage, which the back has been converted into a guest room, and the bathroom is on the outside of the main house. The plot has a nice garden area, a barbecue area and a large swimming pool. On the side of the house there are stairs that will take you to a small solarium with sea and mountain views.

The house has air conditioning (Hot/cold).
