DESCRIPTION

Semidetached house for sale in Belmonte, next to the Norwegian school, Alfaz del Pi. This townhouse is part of a set of 6 semidetached houses, which share a community pool and private parking. It is an area slightly away from the town, but well connected. It is also of great interest due to its proximity to the Norwegian school and other services such as a pharmacy and a supermarket. It is in a Nordic and rustic style, very typical of northern Europe. It has 2 bedrooms and 2 bathrooms. Originally it had 3 bedrooms, but one of them was turned into a living room. On the ground floor it has a complete bathroom, a living room, a dining room and an open kitchen. It also has an exit to the terrace. On the first floor is where the two bedrooms and the living room are located, as well as another full bathroom. On the second floor there is a storage room and a solarium with panoramic views.
