DESCRIPTION

We present an exclusive development of 15 modern and Mediterranean style villas in Balcón de Finestrat, a privileged location with incredible panoramic views that combine luxury and comfort in an incomparable natural environment. These stunning homes are distributed over three floors. On the ground floor, we find a spacious and bright living room with an open kitchen. This space flows naturally to the outside, creating a seamless connection between the interior and the garden. In addition, on this floor there is a bedroom and a full bathroom, providing comfort and accessibility. The upper floor houses two additional bedrooms, each with its own ensuite bathroom, with highquality finishes and meticulous attention to detail. The large windows allow natural light to enter, creating a cozy and relaxing atmosphere. On the upper floor, the solarium offers an extraordinary space to relax and enjoy the sun and panoramic views of the surrounding area. An exquisitely designed garden surrounds the property, providing a green and serene environment. The private pool while the chill out area becomes the ideal place. The villas are equipped

with highend features including double glazing, armoured door and preinstallation for ducted air conditioning. In addition, they have surface parking. For those looking to further personalise their home, there is the possibility to add several extras on request, such as basement, home automation, lift and underfloor heating.
