DESCRIPTION

Colonial style villa located in a residential neighborhood of high standard that offers maximum privacy and tranquility. It is distributed in two levels. The main floor, at pool level, consists of 2 houses that could be unified into one. A house consists of a living / dining room, with open kitchen and has a very spacious bedroom with a bathroom en suite. The other has a living room, a dining room, an office, an independent kitchen and two double bedrooms and a bathroom. On the ground floor, we find 2 independent apartments with kitchen open to the living room, and one of them with a separate bedroom, perfect to use as guest houses. On this level there is also the garage for 4 cars and a warehouse of 200 square meters. The house has gas central heating radiators, A / C, mosquito nets, electric shutters. The garden has a pool facing west to enjoy the sun all day and fruit trees.
